Macro/Portrait Mode
 Macro mode for closeup focus.
 Portrait mode for normal range focus.

Video CDs made easy
 Transfer the images to a PC and make video CDs.

Easy USB Transfer
 Connect your DV to a PC via USB cable.

Easy TV Output
 Built-in A/V output jack.

Editing
 Edit the beginning and ending of a video clip.

Special Selections

Night Shot Sharpens an image in the dark background with low lighting.

Fader (for DV mode) Applies a fader effect to your video.

Attach Voice ON/OFF (for DSC mode) Allows to attach voice messages to pictures.

Digital Effects

Original Reverses the color and contrast of a picture to look like a negative

Negative Adds a sepia tone that looks like an aged picture

Sepia Transforms your picture into a black and white photo

B&W

Applications:

Video Studio Photo Express™ SE Cool 360™ Acrobat® Reader™ MAX-Console
